Details: Marvelous Melodies was made for kid's. So why do Mom's and Dad's love it too? Well... Mister Marc started recording these songs in the summer of 2004. He wanted to create a CD to both teach and celebrate everything in our lives we love. Especially each other. A little bit of teaching but a whole lot of fun. The first song Mister Marc wrote for his CD was "Lemon's Make Lemonade" (the Bullying Song) "Just walk away, count to ten. Take a deep breath, laugh at yourself. Bullies are bad, don't be afraid. If you got lemon's...make lemonade" And My favourite; "Beauty Inside" "You could have blonde hair, brown hair, red hair whatever colored hair...I know your beautiful." "You may wear glasses, they help you with school. You may have braces, they look like shiny jewels." Mister Marc sings about trains, cookies, recycling, saving water, being happy, being sad, and that time of day when mom gets to put her feet up. "Even Mom's need a Timeout". Mister Marc's Musical Workshop help kids and teachers bring classroom subjects and modules to life with the magic of song. O.K enough talk. Have a listen, pick up a CD and most of all...keep singing along. Ok, Yes Mister Marc did write this. Thank you CD Baby.
