DOWNLOAD HERE

OMEGA3. The rock sounds different. - PushPop - Let's try it. 10 MP3 Songs in this album (44:09) ! Related styles: POP: Power Pop, ROCK: Euro-Rock People who are interested in Linkin Park 3 Doors Down Metallica should consider this download. Details: February 2006 the OMEGA3 project comes out to life. Three talented musicians join togheter for this new adventure. They were all born in Rome, Italy and musically grown within the rock-underground scene, although each one brings up his personal experience. The results is an interesting mix that combines rock, metal, progressive and some pop. Their music is original and sang in italian. Since the beginnings the OMEGA3 played in several roman clubs, meeting an outstanding success. On september 2007 the band is in studio recording for his first album. On april 2008 the bass player passes away but they decide to keep on playing in his loving memory. The CD, "Cambio di destinazione" is now available! Max Brolli: voice and synth programming Stex Sellan: guitars and background vocals Fabio Pugliese: drums and background vocals Luca Pisanu: bass
