

Mp3 Orly - Making History

[DOWNLOAD HERE](#)

Talent, beauty and incredibly powerful vocals lend to this emerging artist's commanding stage presence. 12 MP3 Songs POP: Pop/Rock, ROCK: Progressive Rock Details: Talent, beauty and incredibly powerful vocals lend to this emerging artist's commanding stage presence. Judging from her abilities, Orly will be an impressive addition to the Canadian as well as the international music industries. Recognizing this, we are proud to be adding Orly to the expanding KTP roster, developing and working alongside her and looking to release her first album in 2008. A JUNO hopeful, she is sure to influence as well as impress an already vast fan base. "Producing Orly is a breeze....the songs seem to just write themselves. She's definitely here to stay" says Elliot. "Once you listen, you'll be hooked. It's that simple. The songs are very catchy and memorable. The best ingredients for sure success." Born in Toronto, Canada in 1985, she's been singing professionally since the age of 15. It all started when she got a karaoke stereo for her 12th Birthday. Locking herself up in her bedroom she would pump up her favourite songs -which were usually pop ballads- and sing at the top of her lungs. (I know. Not smart for a singer but she had no training at the time). Eventually, her talents were soon recognized after auditioning for local plays and small parts when finally she got a break working with one of the most renowned wedding bands at the age of 17. It was then that she started to really come out of her shell. But since then, she has really grown both as a singer and as a woman. "I feel so in control of the stage that when I'm on it there's pretty much no stopping me. Bottom line, I know how to have fun with it". Currently, Orly has finished up her first CD entitled Making History! with independent label KTP Music and is already planning her first tour across Europe....We would love to hear your thoughts. Peace, the Band. People who are interested in Christina Aguilera Avril Lavigne Kelly Clarkson should consider this download.
