Roy Orbison in the sixties-type of music 12 MP3 Songs POP: 60's Pop, POP: with Live-band Production

Details: If you're into Roy orbison, Elvis or even ELO you will like the swedish artist Peter Danielson.

Once a member of Schytts, one of the most popular bands in Sweden. This is his first solo album and it's packed with great melodies and romantic lyrics. Critically acclaimed in Sweden and one of the most played records on Swedish national radio, this record will astonish you. This is classical pop at it's best!
