Alt pop ballads in styles ranging from Britpop to Reggae to Classic Rock 11 MP3 Songs POP: Quirky, POP: British Pop Details: A distinctive new voice from the blossoming Albuquerque, New Mexico music scene, Romeo Hotel makes stylish, cinematic pop with heart and humor. This is a "one-man-band" studio project written, performed and recorded by Albuquerquean Randy Hill (Romeo hotel are his initials in the phoenetic alphabet used for aviation radio-speak - he's an ex-air traffic controller and ex-English teacher turned songwriter.) Lyrically, the songs on Wishing On A Satellite are rich and provocative; delivered in a smorgasboard of musical styles - a commendable debut!
