Bubblegum noise, melodic rock from Chicago. 12 MP3 Songs POP: Power Pop, ROCK: 90's Rock
Details: THE TRIPWIRE "This is some of the most wonderful noise you will hear this year." "...Then comes "Acting So Tough," a slightly more straightforward tune that allows Roberts' voice to soar way above the rest of the noise. It is one of those musical moments that sends chills down your spine."
"It("Liars in Love")is one hell of a track, one of many on this truly great album. STAR is definitely a band to watch out for in 2007." MILK MILK LEMONADE WEBZINE "Shannon's vocal talent maintains a commanding presence while, at the same time, offering an off-balanced sweetness at just the right moments...one of the most promising dreamy rock outfits we've featured." LOSTMUSIC UK "With a sound that is simultaneously harsh and soft, aggressive and sweet, bubblegum, yet challenging, exceptionally noisy, yet melodic and loveably pop, STAR is a sum of contradictions that come together seamlessly and beautifully." MATAPOP "If you are a sucker for whispery female vocals like I am STAR paint pretty pop hooks on walls of noise, which makes you tilt your head in a good way..." LIEPAPER "Fans of MBV and Sonic Youth should take notice." THE YELLOW STEREO "Bringing in a beautiful wall of guitar noise akin to Jesus and Mary Chain along with the dreamy whisper of Shannon Roberts almost bubblegum like vocals and youll have some of the most beautiful noise to grace your ears this entire year...A lovely and melodic pop sound that gets my highest recommendation." COAST IS CLEAR "Wow!"
