This debut CD was inspired by life. Its bluesy sound keeps your toes tappin'. Tara Jo's songs have that folk flare and lyrics that leave you singing out loud even when the music stops. 5 MP3 Songs FOLK: Folk Blues, BLUES: Acoustic Blues Details: Tara Jo Oliver has been writing music for several years. It is her passion. Tara Jo has a knack for writing lyrics. She writes from experiences and is a great story teller. If she has a thought, a pen, and a napkin a song is born! Her talent as a musician comes from within. She plays guitar, piano, drums and harmonica. Tara Jo has a presence about her on and off stage. She has a true heart and believes in the good in others. She makes lasting friendships where ever she goes. Her smile and her songs speak to friends and strangers alike. Her demo has recently been released. She loves the small intimate crowd but comes alive in the large venue. Listen to her new release on my space music page. She would like to thank her family for their kind hearts and support. Her manager and best friend Renee for getting the ball rolling, her friends for the experiences they have shared and of course God, and his strong presence in her life. Look out world, here she comes! myspace.com/tarajoolivermusic
