Corn fed rock and roll reminiscent of a hillbilly version of the Rat Pack. 13 MP3 Songs in this album (37:31) ! Related styles: COUNTRY: Country Rock, ROCK: Psychobilly People who are interested in Johnny Cash Reverend Horton Heat David Allan Coe should consider this download. Details: We sat down at my dining room table with an acoustic guitar and an acoustic bass. John said, Ive got these words: You kicked me in the ass until it bled. You played some fucked up mind games with my head. As a dirty S.O.B. you found your niche. You dirty, stinking, rotten, nasty bitch. Ive thought of every word from A to Z But you put the cunt in country. Forty five minutes later we were a band. Ten years later we have taken every song from all of our CDs that anyone has ever asked for and put them on two discs. These are the cream of the crop songs youve ever wanted from us. This first disc is a collection of all of our early beginnings. From the first songs we wrote that wound up on Life Behind Bars to songs that wound up on our first live CD. We appreciate you sticking by our side through these first 10 years. Theres a lot more songs John and I have in the vaults of our twisted heads and cant wait to see what the next 10 years hold for us and our music. Scotty Roller
