techno, trance, dance, synth 12 MP3 Songs ELECTRONIC: Techno, ELECTRONIC: Experimental
Details: The Shamanatrix belongs to the next generation of Songwriters who connects directly with their audience through cyberspace. Writing music that challenges many cultures unexamined assumptions about the nature of nature, gender and our relationship to both, this music is sure to challenge your intellect and stimulate your senses. This music will speak directly to the hearts and minds of those who value social justice, equality and the struggle to know and express our deepest and truest selves.
