

## Mp3 The Vinyl Trees - Pura Vida

[DOWNLOAD HERE](#)

folk rock, good energy 13 MP3 Songs FOLK: Power-folk, ROCK: Acoustic Details: The Vinyl Trees are about invention and the need to pursue directions that don't necessarily conform. Although the band was formed in the bay area of northern California, the Trees stem from different roots that go as far as Canada, as singer Mark Smith hails from Eyebrow, Saskatchewan. Growing up, fueled on canadian icons such as Neil Young, The Guess Who, and The Tragically Hip, you can definitely hear influences in Smith's song writing. Using several different instruments, the Trees were able to create a very unique sound on their first album titled Pura Vida. Released April '07, the record uses a blend of acoustic guitars, Didgeridoo (a aboriginal instrument indigenous of Australia), African balafon, ukulele, as well as a harmonium. The energy and drive is led by Larry Brooks, mostly using a Cajon, which is a peruvian drum that is played by sitting on it and striking the front. This is all glued together by the grooving chops of Alek Dorian on the bass, giving the band a very real, organic type of music that sits nicely behind catchy harmonies and driving melodies. Let The Vinyl Trees take you on a trip around the world, without ever leaving.
