this project is a jazz gospel mix ,a urban contemporary variation of jazz, gospel, and rb. 13 MP3 Songs
GOSPEL: Contemporary Gospel, JAZZ: Smooth Jazz Details: Timothy Southerland, A man of many talents who has been in the music business for over 30 years Was raised on the east coast where his family gave him a strong foundation in The Lord thru music and praise,His uncle played the guitar and that had a major impact on Tim wanting to play a musical instrument .He then started playing the bass guitar and went on to play keyboards and the drums. His love for music took him even farther into singing and playing jazz and gospel Once he mastered his craft he went on the R&B circuit for a while and opened for such groups as Tower of Power The Twilites and the Crusaders he also toured with Such artists as George Clinton and Eddie Hazel with The Funkadelics and Bootsey"s Rubberband, and from there he went a step farther by writing and producing his own music. Now you can find Tim in his own studio where he composes and records music for Other entertainers in the business . Tim is also running a midi production company called Tphat3 productions. Being a member of ASCAP as a publisher,producer and songwriter has allowed Tim to introduce his own style of music on his CD"s . The first one you may remember Bohemian Knights was on the style of smooth jazz And the newest one YOU NEED TO KNOW has a bit of jazz and gospel with a Message just for you. Feel free to contact Tim for more information at Tphat3@cox.net Or at 619-4402732
