

Mp3 Valarie Grace - The Birthing Of A True Worshipper

[DOWNLOAD HERE](#)

The Birthing of a True Worshipper introduces you to its vocal powerhouse Valarie Grace. This dynamic diva hosts a wide variety of styles ranging from gospel R&B to gospel reggae and hip hop. This is truly an album everyone in your household can enjoy. 14 MP3 Songs GOSPEL: Contemporary Gospel, HIP HOP/RAP: Spiritual Rap Details: Florida label, Tahirah Records announces the release of its president and solo artist Valarie Grace, with her debut album: The Birthing of a True Worshipper. This dynamic psalmist is a native of Miami but hosts a flair and flavor that will be enticing to listeners from Detroit to Denver, and Brooklyn to the Bahamas. This album hosts a melting pot of musical genres that range from the tropical and methodic reggae rhythms of Give Praise with guest Trinidadian artist Nigel Lewis, to the hip-hop flavor of Pastors Wife and the smooth and sultry sounds of Mighty Wind. Although this is her first solo album, Valarie Grace is a veteran in the music business and has done background for various well-known artists. The Birthing of a True Worshipper is a very fresh piece with unbelievable background arrangements. It also includes a very special testimonial that is dedicated to her husband who almost died of a brain aneurism and stroke during the summer of 2004. As you listen to the words and music of this album you will not only understand and feel the passion of this artist, but also become a part of the praise and worship that was birthed out of her pain. If your budget is tight and you only buy a few CDs during the year, The Birthing of a True Worshipper is one that you will want to invest in. If music truly feeds the soul then get ready to enjoy this exquisitely bountiful buffet!
