"This artist hails from Toronto blends indie, dance and pop into infectious little anthems. The haunting vocals sail smoothly over the beat accompanied by twangy guitar riffs. 'Fevered' is sure to remind you of T. Rex His music sounds like it'd be right at home on Sub Pop or K Records." missingtoof.com "Vivek Shraya could easily be Canada's next major pop act. The handsome singer combines catchy electro pop with straight up lyrics and traditional songwriting sensibilities that is both sweet and crunchy. Shraya puts out the type of music that is different yet still familiar enough to please the mainstream. Even though the sound of Shraya's music has a strong electro pulse, his music is primarily driven by his soulful voice." arjanwrites.com People who are interested in Michael Jackson Justin Timberlake Scissor Sisters should consider this download.
