Get To Know The Basics Of Transacting Business Online You might have heard rumors about WordPress websites, like for example you may have heard that Google gives priority to these websites. It is fairly certain that search engines give priority to certain websites and blogs, so now that blogging and pinging phase might be losing at least part of its effectiveness, now is the time for something new. There's strong evidence that WordPress blogs get better search rankings than other sites. We will explore that in more detail later, but for now just know that there are some search engine advantages to using WordPress tools. In some ways this tool is only good for those who understand the importance and advantages of blogging. Blogging is a form of website promotion and information sharing that can have very strong business implications. Just look at what's covered inside this guide... WordPress basics Why WordPress (v Blogger) How to install a WordPress blog WordPress templates Best free template resources Best paid-for template resources WordPress plugins basics WordPress plugins how to install WordPress plugins best free resources WordPress plugins best paid for resource Conclusion This book will end up saving you time, money and make your days a lot less stress filled. How much is that worth to

you?
