"Are You Losing \$1000's Every Month Because Of Unreliable Email? ...Stop Leaving Your Success To Chance & Start Getting In Touch With 100 of Your Prospects & Customers Every Time!" Display Your Sales Message's At Anytime... Long After Your Prospects Leave Your Website! As you know, each time you send an email to your list, many of your prospects don't even get to open your message, never-mind read it! Why? Spam filters. Even if your message isn't filtered there is so much spam around now that your message can very easily be confused with spam and get deleted. I've done it, you've probably done it, and you can bet the people on YOUR list do it too! How much extra money do you think you would make if every message you sent to your prospects got opened by everyone you sent it to every time? A guaranteed 100 open rate! Impossible, right? Not any more... Introducing The Brand New... 'Contact Automator' Follow Your Prospects All Over The Internet Until They Buy Your Products! You're probably wondering exactly what 'Contact Automator' is. Well... its a revolutionary new program that allows you to create little applications that sit in your prospects system tray (The bottom right of your screen beside the time). This application will check whatever URL you tell it to as often as you want. And every time the URL updates, it lets your prospects know! What does this mean to you? It means you can basically follow your prospects about, long after they leave your site, and literally FORCE them to look at your latest products and offers!
