He'll do anything to please the woman he loves... anything! "Once we begin, you can never turn back!" she warned. That's how it all began... and it proved to be more true than they ever imagined! They should never have taken for granted how far a little harmless sex would take them. Can sexual play get out of control? A young couple discovers new pleasures and on their anniversary, they add a third person, leading to an unexpected menage a trois that takes the pleasure to a whole new level! For a couple of weeks following our encounter with Alex, neither of us spoke about it. I guess we were afraid of the beast we had unleashed and where it was leading us. Even Marcus, the big black dildo was left untouched. Our sex life was on hold, while we came to terms with what we had done. Until one evening, after a couple glasses of wine. "Alyssa, can we talk about what happened with Alex?" "I guess," she responded quietly looking embarrassed. "Well, how do you feel about it?" I asked. "I loved it." And that's just the beginning... from that point they continue exploring other people and ways to pleasure Alyssa! Warning adult content and situations, including sexual and bi-sexual encounters.
