

Mp3 Aaron Binder - As Modern As Tomorrow

[DOWNLOAD HERE](#)

Straight-ahead jazz piano trio music. Original compositions by unique musicians. Both sophisticated and gritty. 8 MP3 Songs JAZZ: Bebop, JAZZ: Traditional Jazz Combo Details: This second album of original compositions by Aaron Binder was recorded in 1998 with a trio of piano, bass, and drums. It features the prodigious young pianist Wells Hanley just before he embarked on a tour with the late Betty Carter. It also features the compositions and bass of Scot Fitzsimmons. It is an energetic straight-ahead jazz album of unique material, never heard before this recording was made. Conceived as a whole, this album tells a story and must be listened to from beginning to end in order to appreciate the narrative quality and consistency of mood.
