Plcido Domingo should consider this download. Details: "...a baritone voice that has an innate natural intelligence, exudes sincerity and is responsive to the text. Cogul sings with an earnest charm and

simplicity - there's a dusky quality to the mid-range and an easy bloom at the very top... look out for Cogul on the opera stage" OPERA NOW "...he is undoubtedly a serious artist and he knows what he wants to

express... steady confident and beautiful..." MUSICWEB "Baritone Carlos Cogul has released a beautifully produced album containing a series of 11 arias and four 'crossover' mainstream songs that

portray his robust command of melody, dynamics and character vocals" UK MUSICIANS UNION
