

# Mp3 Chicago Farmer - About Time

[DOWNLOAD HERE](#)

A raw, witty, nitty-gritty songwriter from Chicago backed by Nashville legends with genre's ranging from folk, bluegrass and americana. 21 MP3 Songs FOLK: Angry, ROCK: Folk Rock Details: "To call him a folk singer or categorize Chicago Farmer as a singer/songwriter wouldn't be wrong. It might, however, not accentuate his commanding poetic voice and passion behind his storytelling." -Kymber Berson, Chicago Innerview Magazine "Touring as a solo artist over the past few years, Chicago Farmer's music has created a buzz throughout small towns, college towns, and big cities across the Midwest. His August release "About Time" assembles a fuller sound as his acoustic guitar and gritty voice are accompanied by Nashville greats on violin, piano, bass, percussion and backing vocals." -Kymber Berson, Chicago Innerview Magazine
