His new releases for 2009 are Recycled Souls and Blues Farm. What You Blue About? was a Catfish Choice of Blue's Access magazine. According to Delta Snake Daily Blues, "Erick Hovey is a hidden blues gem in the farmland of the Midwest." La Hora Del Blues of Barcelona, Spain, writes that Erick "skillfully mixes and develops his own blues style." And Omahas Reader says his music has genuine heart and engaging personality. Erick learned the blues scale when he was ten years old and began performing in local taverns when he was fourteen. He still enjoys playing in small-town bars but has performed in venues and festivals throughout the Midwest.
