Fighting Catz is a jam band. There are no overdubs on this record. 5 MP3 Songs JAZZ: Weird Jazz, ROCK: Psychedelic Details: Our music has no pre-established form to replicate or work from - the music takes on infinite shapes. It is our belief that as the music unfolds, it is nurtured by the mystery of the moment and the fire within. This also holds true for the structure of our band - "Fighting Catz" can expand from a trio of guitar, bass and drums to a combo that incorporates horns, percussion, vocals or guitar. Each performance and recording is a different composition that represents an amalgamation of our different personalities to create a unique piece each time you listen to it. Fighting Catz
