Details: Soaring High" by Harmonic Conversion is a music CD for adults and children, written and sung by the kids of Monte Vista Elementary School. We created and taught a songwriting workshop that teaches children to explore music, collaborate to write lyrics, record their own songs, and perform in front of an audience. Our project helps build the self-esteem of kids, improves their language skills, boosts their math scores, and increases their understanding of music. The power and scope of Harmonic Conversion is the promise for every voice to sing their own song--and with each voice comes a story of success.
