"how wrong i can be" you said you'd never loved before. that i was the one you had waited for and like a fool i needed no more ... that shows you how wrong i can be. "why should your conscience bother me?" why did all your wrongs keep coming back to me? do people have to tell me about the things the see? don't they know we're through that you walked out on me? after all why should your conscience bother me? "i know you baby" i know you baby. i know your whole routine. you can tell more lies than any man i've ever seen. (this is a blues number.) "don't be fooled" don't be fooled by his big blue eyes when they look your way. they'll lead you on then when you're gone throw paradise away. "i wouldn't have missed it" you took my heart. tore it apart still i wanted to stay in your world. but you turned me away and all i could say was i wouldn't have missed it for the world. (waltz) "driving you out of my mind" i'm driving you out of my mind. leaving my heartaches behind. i've known all along there was somebody else but kept hoping that you'd change your mind. (neat up tempo song) "make me know you're mine" make me know you're mine. make me leave these doubts behind. show me what your love is all about .. "turn backward" backward turn backward oh time in your flight. turn back so i can relive just one night. when you held me caressed me when his love was true. turn backward

oh time to the thrill we once knew.(latin rhythm) "i'm fooling everybody but me" when you left that day all i wanted was to hide. i had to find a way to soothe my injured pride.then i made up a story and i'm telling it each day so everyone will think i wanted it this way. and i'm fooling everybody but me.
