Sophisticated, lush, plush ballads with changes that will melt you like putty in somebody's hands. Utterly sexy renditions of romantic fair just right for low lights and intimate conversations with your special love partner. 12 MP3 Songs EASY LISTENING: Mood Music, EASY LISTENING: Ballads Details: "Cool Smooth Sassy" was originally released in 1997, and was well received. However last winter I decided to re-master it. The results were wonderful and we now have a magnificent stereo recording that is unmatched in clarity and definition. I also decided to pull Sharon Saulnier's 2 cuts off the CD and use Brett Holihan in her place on the same 2 cuts. Brett played bass on several of the cuts on the CD but he is also a very fine jazz trumpet man and plays vibes and piano. The sultry Sharo Saulnier will be reappearing on my new CD "Pretty Powerful Pouty Plush". I will get the new CD to Cd Baby just as soon as I get them pressed. Joe Genovese is a sought after side man and session musician and has played behind all the big ones including, Stevie Wonder, Eartha Kitt, Rosemary Clooney, Jack Jones, Karen Carpenter, Sammy Davis Jr., Debbie Reynolds, Doc Severensin, Marvin Hamlisch, and Englebert, Just to name a few. Joe knows what to do with a musical phrase to reach your heart and soul. Joe started playing professionally at age 13, and has been going strong ever since. Paul Parker a pianist who is a frequent soloist with the Omaha and Lincoln Symphony does some very fine work behind Joe as does, Ron Cooley on guitar. 11 of the 12 cuts were written by Tom Tomoser Sr. (that's me) who has been composing lush, standard type material for 25 years. I put in a Cover of "Wind Beneath My Wings" and it came out superb. Not only does Joe do a great job, Parker and Cooley turn in some great work to the point that it can be called a "Killer" version. This is a nice representative sample of Tomoser's work which is influenced by several genres, starting with blues, jazz, black Gospel, Classical, swing and Broadway. If you're the type that likes to lock out the world and slip off to dream land "Cool Smooth Sassy " will

lubricate the passageway to paradise. REVIEWS:: WILL SMITH: JAZZ SOUNDS: OMAHA WORLD HERALD: Omaha tenor saxophonist Joe Genovesi has the limelight on "Cool Smooth Sassy" (Lone Eagle CSS971).
