

Mp3 Joe Travers - Harbor

[DOWNLOAD HERE](#)

Powerful, driving acoustic passions mark the second CD of this New York singer/songwriter, who has been called "an undiscovered national treasure" and "a truly classic singer/songwriter". 6 MP3 Songs in this album (22:38) ! Related styles: FOLK: Folk Pop, FOLK: Modern Folk People who are interested in Cat Stevens Marc Cohn Dougie MacLean should consider this download. Details: From the streets of Riverdale, New York to Scotlands Edinburgh Fringe Festival; from the Troy Savings Bank Music Hall (one of five reputedly acoustically perfect spaces in the world) to the world famous Bitter End, the drive to distill experience into words and music has taken this singer/songwriter on a wide-ranging journey. Clive Swersky, of TV's "Alive with Clive" said, "Joe Travers is a thoughtful, insightful and multi-faceted singer/songwriter with his finger on the pulse of a broad range of social issues...an undiscovered national treasure destined to take his place among such legendary singer/songwriters as Neil Young and Willie Nelson." Larry Oakes, Founder of Singer/Songwriter Sessions NYC said, "Joe is truly a classic Singer/Songwriter. His storytelling through colorful lyrics, melody and choruses leaves you anxious for the next chapter. Refreshingly keeping the 'old school' alive... Joe's song "Call It America" was honored by the 2006 Peacedriven Songwriting Awards. He has a large catalogue of material, touching on themes as varied as the spirit of America, veterans' issues, modern physics, coming of age, the Greek myths, love and loss, and the hero within. His sound blends the genres of acoustic pop, Americana, folk, Celtic and country. (Think Marc Cohn and Alison Krauss meeting James Taylor and Dougie Maclean for a Guinness). He is a member of ASCAP and the Songwriters Hall of Fame. His compositions have also been heard scoring dance concerts and plays across the U.S.
