John's earliest instrument was the drums which he started playing at age 5. By 4th grade he had begun to play the trumpet and 7th grade, influenced by Lynryd Skynryd and Eddie Van Halen, he picked up the guitar. Since that time his music repertoire has included performance of classical, bluegrass, blues, rock, metal, pop, country and christian. The basis is the guitar which provides the vehicle to carry his message. May you be blessed by that music.
