

## Mp3 John Trones - Joy

[DOWNLOAD HERE](#)

John's fourth album and the stunning follow-up to his 2004 Christmas album, HOLIDAY, JOY features Grammy-nominated pianist Jim Brickman and a collection of gorgeous holiday melodies sure to become your new favorites. 12 MP3 Songs EASY LISTENING: Crooners/Vocals, JAZZ: Smooth Jazz Details: Very few times of the year produce a wider range of emotion and fond memories as the month of December. This season, make best-selling vocalist John Trones and his new album "Joy" a part of your holiday. John is joined by internationally acclaimed pianist Jim Brickman, singer/songwriter Joanna Jahn, and a host of accomplished local and national musicians on "Joy." Together, they have created a collection of gorgeous original and classic holiday music, including Joni Mitchell's sublime "River" and the beautiful new "Spirit of the Season". John Trones' "Joy" is certain to be a wonderful addition to your winter festivities for many seasons to come. Recording artist John Trones, from Minneapolis, has toured throughout the United States, Europe and Asia. "Joy" is his fourth release, and his second holiday album. An accomplished actor as well as a musician, Trones can be seen on stages across the country, as well as in numerous television and film projects.
