British pop / rock and a whole lot more , catchy songs memorable tunes and a little cynicism and wit . 12 MP3 Songs POP: British Pop, POP: Beatles-pop Details: Jon Gerrard (mcpherson) is a singer songwriter from the wilder side of Glasgow (Scotland) The streets could be rough at times but the people were mostly friendly and certainly resilient . Jons rough edges are often found within the lyrics of his songs , yet he still wears his heart on his sleeve . A quiet man , a fighter , a poet and a pest , his songs range from love (Take a look around yourself) to murder (I cant stop) and from the self questioning (Who I want to be) to visions of utopia (Nothing stays so bad) Jon has seen the darker side of life yet he always tries to find a happy ending in his songs . A product of the Britpop scene , Jon now blends this experince with various other styles of music including Rock , Punk , RnB , electronic and theres even a hint of classical in one of the songs (Wheres the dignity) So why dont you give this complicated simpleton a listen to . You might just like what you hear .
