[DOWNLOAD HERE](#)

A blood-soaked soundscape that covers the beauty of life and death with heavily orchestrated acoustic/vocal arrangements. 10 MP3 Songs in this album (34:38) ! Related styles: FOLK: Alternative Folk, ROCK: Noise People who are interested in Radiohead The Microphones Arcade Fire should consider this download. Details: Jonathan Hape, one of ohio's up and coming indie-folk artists, has been touring nationally and regional for many years now. Having released 4 albums on his own (give me the antidote, letters to india, i'm awake/i'm asleep, and the herbivore e.p.), Jonathan signed with Paper Mache Records who have put out his newest effort, Carnivore. Carnivore embodies what Hape has been doing most of his musical career. Described as a 'blood-soaked soundscape', Carnivore is full of imagery of blood in cases of both life and death. Check out Jonathan's myspace for upcoming shows in your area.
