An album with a mix of diverse instrumentals and songs from the British based songwriter Justie. The instrumentals are soothing; mysterious with parallels of lucid day dreams and thoughts Justie has had over the years. 11 MP3 Songs EASY LISTENING: Mood Music, POP: with Electronic Production Details: About Justie ----- Singer songwriter Justie (Justin Goodall) was born into a family of musicians. Father a guitar playing folk singer with his mother accompanying on tin whistles and vocals. From a young age Justie used to tag along to folk clubs and venues joining in the choruses. From there he learnt the piano gaining many grades but it was when a friend let him borrow an old Roland vintage synthesiser he knew that he could emulate the modern pop sounds he heard in the music charts on the radio. Taking any opportunity to join and play in folk dance bands, pop cover bands, many solo stage performances propelled him to a new level. The now blossoming recording studio continues to capture the new songs and pieces of music he composes. Thats where the 1st album sprung from In Your Eyes, and now the anticipated latest album Sweet Day Dreams. About Sweet Day Dreams' ----- Speaking to Justie in describing his new album he said this; "These songs and instrumentals draw from many themes.. Dreams and struggles I have seen.. Joy I have felt through people and nature itself. I hope people enjoy this collection as much as I have in recording and performing it".
