

# Mp3 Kevin Jones - From Me, To You

[DOWNLOAD HERE](#)

Here I put together a 2 CD album consisting of different genres such as jazz, latin and pop music. 41 MP3 Songs JAZZ: Smooth Jazz, LATIN: Flamenco Details: Kevin Jones, is a multi-talented that's been in the music industry for over 15 yrs. He started playing piano at the tender age of 9 and at 16 entered into Johns Hopkins Peabody Conservatory. After joining the US Army he teamed up with some fellow military members and help form the showband Essense. That following year they won 1st place in the 1st Armor Division Showband Competition in Europe. 5 years later after ending his career in the military he formed his own production company named Jones Productions, Inc. During the next 3 years he helped develop and produce new and upcoming artists. After taking a 10 yr hiatus he came back to complete a 2 CD album entitled, "From me, To You".
