

Mp3 Linda Myers - Paradox Clock

[DOWNLOAD HERE](#)

Her lyrics cut diamonds in your mind while her music blankets your blood stream with opiates of sound, like Sting and Joni wrapped up in one. 15 MP3 Songs EASY LISTENING: Adult contemporary, NEW AGE: Adult Alternative Show all album songs: Paradox Clock Songs Details: Many artists may claim to be original, but Linda is one that owns that claim. Her lyrics and music carve out an entirely new realm, much less genre...and yet...and yet, her songs feel like second skin, warm, familiar; comfort- food for the ear and the soul. Paradox Clock provides a delectable selection to whet your palate. Each of her songs offer a new flavor to savor. Her music is fresh and timeless, not to mention enchanting and seductive. You cant help but be drawn in by this woman and her art. There is a powerful magic hereshe could be The One issuing in a new era of music. You can be one of the firstsomeone on the cutting-edge: Buy this album and immerse yourself in some truly spectacular tunes. ...a little bit about the artist...Linda started writing songs at age 11. When asked about the songwriting process, Linda has this to say, "I don't try to write music, I just sit down at the piano and it comes to me, usually words and music together...and writing is kind of a misnomer -- I don't really "write" my music...I just close my eyes and play...if you ask me what notes I'm playing or what chords, I have to stop and think about it, because I don't think it out...it just comes". ...a little bit about the style...Linda's songs are hard to classify, but she says, "Most often I hear the names, 'Joni, Sting, Tori' when people are comparing my music -- which is a huge compliment; I'm truly humbled by these comparisons".
