Gospel Singer turned Soul Siren performing original, inspiring material with sincerity and power. 15 MP3 Songs in this album (52:52) ! Related styles: POP: Pop/Rock, ROCK: Folk Rock Details: Meghan has been singing for as long as she can remember, but credits her vocal prowess to call and response sessions she shared with her gospel teacher Georgia Louis, an acclaimed performer who Louis Armstrong named as his musical godchild. Ms. Louis, who has shared the stage with Aretha Franklin, Mahalia Jackson, Dinah Washington, and the Staple Singers, has said of Meghan She is the best young gospel singer that I have worked with, and she was born with an inner spirit that is just phenomenal. The majority of Meghans high school years were spent performing gospel music in A.M.E. Churches throughout Connecticut. Gospel gave her the freedom to improvise and engage with an audience instantly in the energy of the moment, skills that permanently influenced her performance style. She has performed at Shea Stadium three times, the first at the age of 14. Meghan has also been asked to collaborate on many recordings, and has recorded a handful of gospel songs which remain unreleased. She has spent the last three years composing infectious, soulful songs while playing the New York City club circuit either solo on piano, or with her band. "12th and A" is her first full-length album.
