

Mp3 Michael Hayes - Sunrise

[DOWNLOAD HERE](#)

Sunrise is a sensuous uplifting fusion of world beats, new age, chill, classical, and jazz . . . instrumental music without boundaries. (Free Sheet Music available on artist webpage.) 14 MP3 Songs NEW AGE: Contemporary Instrumental, JAZZ: Smooth Jazz Details: Michael Hayes will whisk you away with a sensuous uplifting fusion of world beats, new age, chill, classical, and jazz . . . music without boundaries. The style of music might best be called Contemporary Instrumental that melds all types of music together. The songs are all great, the thing that really is so great about Sunrise is how Michael has been able to make an eclectic mix of tunes, sound as a whole. Sunrise has made it to my small group of CDs which I carry in my car now. Ryan Farish, Billboard Charting New Age Artist (ryanfarish). "On his new album Sunrise, Michael Hayes takes us on yet another sonic journey that will sweep you away." - Lee Smith, Four Winds Entertainment. Here is a list of places Michaels music has been used.
