

Mp3 Moonstruck - Crossroads

[DOWNLOAD HERE](#)

Crossroads features an exciting blend of songs that include vocals, chants and firepit drumming. A must have for nature oriented people. The songs have a good rhythm and powerful words that tell of mysteries of the Old Religion. 13 MP3 Songs WORLD: Celtic, FOLK: Modern Folk Details: Crossroads, the eagerly awaited third CD from the band Moonstruck that celebrates the magic and mysteries of the Old Religion in music and song. In this time of chaos and uncertainty, it is more critical than ever before that we honor and protect Mother Earth, Father Sun and the Nature Spirits. These song speak of the joys and challenges that we each experience on the path, as we move along and through the crossroads of life. May these songs fill your life with blessings and remind you of the divine that exist within each of us.
