Post-modernist hip-hop narration that promotes heavy drug use and violent revolution against capitalist oppressors; Home made scum rap that embodies the antithesis of cliché rap and lame overproduction. 13 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: West Coast Rap Details: Born in the East Bay and recently re-located to San Francisco, Okwurd spits scum rap that promotes critical social examination with heavy socialist overtones; extreme contempt for capitalist clichés that revolve around trends and money; provides a post-modernist hip-hop narration that encourages domestic revolution saturated with unbridled drug use; the antithesis of overproduction. The class war is only the beginning. The Orwellian foundation that America operates upon is about to be shattered. Okwurd writes, arranges, records, engineers, and hacks snot all over everything he does by himself. Previous scum rap releases include: Fear and Loathing in Martinez EP and Scum Rap Mourning Star, released independently and are currently out of print with countless copies in circulation throughout the East Bay. Okwurds latest, full length record Acting Slacker which examines the dynamics of Americas laziest generation is now available. Everything from the atrocities of the Bush administration to the nihilism of generation Y to LSD is offered and articulated through a thick green filter of Scum Rap.
