Short, quirky pop songs 12 MP3 Songs in this album (32:00) ! Related styles: POP: Quirky, POP: Folkly
Pop Details: "At the forefront of this new demo-pop is the brilliant Pretend Popstar. With his wonderfully catchy, at times ludicrously short pop songs, he lurches between the heartfelt croon and the rebellious rant with a beautiful directness and panache all the time exuding the air of a doesn't-wannabee. And then there's the tunes. Ah the tunes. They will live under your skin forever." Pretend Quote
