American music from the heart of the mid-west. 10 MP3 Songs COUNTRY: Country Folk, FOLK: Power-folk Details: Have you ever been in a situation wher you are trying explain something to someone and they " JUST DONT' GET IT"? I have and I wrote a song about it.Or you are talking to someone about something or another and they say " THERES' A SONG IN THERE SOMEWHERE ". I have and I wrote a song about it. I've also written songs songs about Pirates of the Caribbean, Wild Bill Hickcock, Grandma playin Powerball, Rush Limbaugh, Time warps. and Old Dogs and New Tricks. They are all on this cd, which was recorded in a friend of mines' basement but, with todays' tecnology, I think it sounds like a profesional studio recording.Go ahead and give it a listen and see if "YA JUST DONT' GET IT". I'll bet you do. Did I mention that I really like that song?
