Sounds like a dark orgy where Portishead, Bjork, Tom Waits, Patty Smith and Lydia Lunch interact like one big happy family 8 MP3 Songs ELECTRONIC: Trip Hop, POP: Piano Details: Schizowave is... trip hop/cabaret with a Russian twist, a new fashionable form of mental disease. Schizowave sounds like Bjork having sex with Tom Waits. Lena Potapova (founder of the band, singer and a full-time madwoman) is a Russian-born diva and a classically trained piano player whose voice is compared to Diamanda Galas, Nina Hagen and Patty Smith, and whose bio reads like a novel. Alan Lake (drums, percussion) is a live legend who has played with Madonna, Ministry, Al Dimeola and many, many others Josef Levitis (guitar) is Russian virtuoso guitarist who keeps a poker face during performances. Mark Piane (bass) is a Chicagod jazz bassist and a father of two. He is the most moral character of the whole crew.
