nominated underground as one of the hottest rap albums ever. 16 MP3 Songs HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: Southern Style Details: This album was created to talk about real issues such as poverty and struggle. To give people understanding that it's not just them going thru these issues. It's more on a reality/poverty level. It's definantly not the same ol' topics you're tired of hearing about. Patiently perfected with beats to bob your head, and verses that were written with alot of time and emotion invested. Music that people everywhere can relate to. This album could be sold with a money-back garantee!
