Traditional country with modern production 11 MP3 Songs COUNTRY: Traditional Country Details: THE LONG AWAITED ALBUM: "THE VANISHING BREED" BY: T.Jae Christian Is finally completed and is being shipped to D.J.S and promoters worldwide! We feel this his best album of all with great songs, production, and supurb performances! If you like traditional country with all the modern production, then you won't want to miss this great album. This artist delivers every song with such tremendous country soul that you get the feeling that he has, and is still living every line in every song, and there's a good chance that you will get so ingrossed as you listen that you may find yourself also living them with him!The biggest question we aleays get is, WHY isn't this artist on main streem radio, well we'll just say that's the biggest question and deepest complicated explanation for many great independent artist that are out there struggling and should be on top in place of many that are! Anyway, just give this supurb country artist a listen, and we think you would like to add his music to your collection's! Watch for it, AND DON'T MISS IT!! You likely won't hear a better country album anywhere by any artist then this one!
