Modern and dramatic film music with some vocals. 13 MP3 Songs WORLD: World Fusion, NEW AGE: New Age Details: Toby Tune has escaped from the Minnesota winters to mingle with the locals and write music in beautiful Costa Rica. Armed with just a keyboard, 2 sound modules, Digital Performer and an iMac, the movies in his mind can be brought to life thru music. Unable to find a specific genre' to be stuck in, the goal is to have as much music variety as possible. Past CD's have been "The H.T. 3" and Blue Sandelwood Soap's : "Love-ins at Loring Park. "His studio is also an open air Cinema located on a mountain over looking the Pacific Ocean. Not a bad gig.
