This cd plays like a movie taking you on a rollercoaster ride from beginning to end through many whips and turns. 21 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Southern Style
Details: "I like dis one, I really like dis one!", words from the infamous Nasty Thug himself as he expresses his feelings on what the future holds for him and his comrads, better known as "The House".
Uptown hails straight outta the Saint, fa those who don't know that's St. Louis. I'ts been a long road mov'n from company to company tryin to find the right connect to springboard this artist into the forefront, but now that Townhouse is a reality, Town can finally show the world what the streets have known for a good minute. If you're look'n for an artist with flava and finness, look no further, uptown, the nasty thug, is in the spot and ready to lay it down from the streets to the strip club. Just slide in the CD and hit play... PS: Bring a towel wit ya, Holla Back.....
