

Mp3 Various - Inner City Beats 2

[DOWNLOAD HERE](#)

Inner City Beats 2 is the second in compilations featuring the finest Sydney-based unsigned electronic acts. 11 MP3 Songs ELECTRONIC: Dance, ELECTRONIC: Soundscapes Details: Two Years in the making Foghorn/Eyelash Records present Inner City Beats Volume 2 the only dance compilation for up and coming Australian DJ's, Producers and Dance artists. KOLLIOPE Their songs have wound their way through the halls, happenings and raves throughout Northern NSW, onto the Dance Stage of the Splendour in the Grass Festival, and soon to bust out throughout the rest of the country. Because now, fresh from the loins of the lounge room of Producer Genevieve Maynard and the bosom of Big Jesus Burger Studios, KOLLIOPEs debut album is about to be delivered Karmacyde Drumming since the age of 12. He first began composing in 99 after taking interest in musical software and hardware, since then he has experimented in writing tracks in many different genres mainly with a focus on syncopated break-beats. Influences Roni Size, Adam Freeland, Scratch Perverts, Jurassic 5. Peking Duck from Melbourne, this approach gives it a different edge mainly focussing on drum n bass and fused breaks. Stickleback The new Stickleback album is now released! Check out stayaround and do a search for 'stickleback' where you can now listen to snippets . Radiogirl Recent Highlights for Radiogirl. Working on the video for Avatara with Melbourne video veteran Chris Brotherton. radiogirlworld is now online. Debasa Merlin Luck made a media splash last year with his infamous appearance on Big Brother with gaffer taped mouth protesting over rights for refugees but in actual fact he has been the lead singer of Debasa for some time now Anchored strongly to the rhythmic sounds of Hip Melodic eastern riffs, funk grooves, rock progressions over dance beats such as drum n bass and break-beat. Garcia Pedro Veldez recently had his house struck by lightning and lost a swag of material from deep inside his hard drive. Undeterred he is currently en route to parts far and wide to record ambient sounds to sample for his full album

release planned for Summer 2005. Bad Machines Now signed to Sanctuary UK this classy electronica collaboration features Paul Scott from Sydneys Montana and Michelle Margherita from Londons Farrah. White Owl White Owl have been approached by film production company Box 'o Cowboys to score an upcoming Australian animated work. Booty Looters These funko brassy boys from Bondi Beach know how to rip it up Expect their debut release soon.
