Consumers are exposed to hundreds maybe even thousands of commercial messages per day in one form or another -- from the boring, copy-laden radio commercial to the easily skimmed, forgettable newspaper ad, to the billboard on the side of the bus to the logo on the side of the building and finally to those annoying Pop-Ups you see on every other website! Research from the University of Washington conducted in 1999 stats: The average American is exposed to 500 to 1,000 commercial messages a day .
