Dear Friend, You are about to discover the secrets that the industry gurus and experts simply don't want you to know. It's true, while you are off struggling to develop a single information product, they are pulling in thousands of sales while whipping out ebook after ebook, without ever breaking a sweat. But it doesn't have to be so time consuming, expensive or confusing. I've been an info product developer for over a decade and over the last year alone, I've managed to create over 110 ebooks that in total have generated WELL over 6-figures from a SINGLE marketplace online. Now, while I am an experienced writer, my students were NOT, and I've gone on to show hundreds of new entrepreneurs how to take my formula and replicate it quickly and easily so that they NEVER have to pay a freelancer for a high quality information product again yet are able to make a full time income with KILLER information products that soar to the top of the charts in EVERY niche they venture into! But there's another benefit to this strategy than just saving money.. what about time? You know yourself just how time consuming developing a polished information product can be, especially if you aren't a proficient writer and can't seem to put all your thoughts in order long enough to create anything of value. Sure you have great ideas but without

being able to define a visual "mind map", your ideas will NEVER be brought to life. Well, it may shock you but there's a method to this madness and if you learn the industry secrets of the top ghostwriters who can shuffle out dozens of world class ebooks in only a few days, you will never have to worry about juggling your time or squeezing in a few precious moments to work on your information product - ever again. You will be able to produce top quality, hot selling, EXCLUSIVE products that your niche market will absolutely FLIP out for, scrambling to buy every new information product you EVER release! This isn't just about building an EMPIRE with information products, but in building a quality BRAND that will take your business to incredible new heights! There is no online business experience required. This will work even if you are BRAND NEW to selling information products! There are no hefty start up costs EVER involved. In fact, you can set it all up and running in a few days for less than \$25! There is no special software or expensive programs required! If you have a computer and a Word processor of any kind you have everything you need! There is NO Limit on How Much Money You Can Make! Many of my students who have followed my exact system have gone on to earn 5-6 figure incomes in less than a few months just by creating winning ebook products with my step by step techniques! In fact, this system is SO simple and focused that once you have read over these basic strategies and begin to apply them, you can instantly rinse and repeat the process over and over again as you create a high profit EBOOK EMPIRE! Whenever someone asks me what the best part of my strategy is I always tell them the exact same thing; it's scalable and it's easy. You can start off with a single information product, and by following my replicable strategy, you can instantly rinse & repeat the process to develop dozens of high quality best selling products. In fact, this system is so flexible and comprehensive that even if you have never created an information product before, I guarantee that you will find this the easiest thing you EVER do! Better yet, my strategy works for every single niche market and industry out there. It doesn't matter if you are interested in developing information products for the health niche or mainstream Internet Marketing, just by creating your "info sheet" according to my instructions, you can quickly compile some of the highest quality IN DEMAND information products ever released in your market!
