

The Iron Curtain - Robert Vaughan

[DOWNLOAD HERE](#)

Volume six of Robert Vaughan's American Chronicles begins with the emergence of a new America from the fiery furor of World War II, an America ready and eager to grasp the future. But the country cannot escape the shadows of the past horrors nor the obligation to the brave souls who fought for liberty and peace. As the defeated Germany faces her fate at Nuremberg and a Red scare makes its mark in every household, stories of courage, celebration, and the realization of destinies take place. Holocaust survivor Anna Gelbman heads off to Palestine to fight for a new homeland and to search for a daughter she hopes is still alive. Black pilot and war hero Travis Jackson's homecoming to Mississippi results in another battle, this time for equality. Award-winning war correspondent Shaylin McKay faces up to her devastating dread of love and loss after watching two men succumb to the terrors of war. Gifted Hollywood director Guy Colby, branded a Communist, sees his dreams fade as the witch-hunt continues.
