

The Phantom Ship

[DOWNLOAD HERE](#)

Beans spots a wreck and lands, to see a spooky bat fly off the side of the Phantom Ship. Naturally, Ham and EX jump out to surprise him just then, which scares him. They go on the ship and Ham and Ex see skeletons, get under a sheet and scare skeletons themselves. I would have liked it had this sub-plot continued, but the short diverges, with Beans finding two frozen pirates near a stove and, inexplicably, starts a fire in the stove. Following a train of thought to its practical and logical conclusion is clearly not his long suit.
