Triple Your Conversions Instantly with Resale Rights "You're About to Discover 28 Power Packed Secrets to Convert Visitors Into Buyers...and They Work Like Magic!" If you have a website that sells anything, or you're thinking of launching one, this is probably the most profitable message you'll ever read. There are millions of websites on the Internet trying to sell everything from simple products to lifestyle hopes and dreams, but only a very FEW of these are actually profitable "winners" while the majority are lucky to

make any sales and are dead on arrival. So what is it that separates the winners from the losers? For your website to generate sales and profits, it needs to do just two things. It must draw traffic to the site and most importantly it must convert visitors into buyers. Research has shown that the average visit to a website is less than 30 seconds. Bottom line, you either hook your client in those 30 seconds or they click off. Getting traffic is simple enough--you can even just buy it--IF your site generates enough sales to make it profitable to do that. Converting traffic into sales is the real challenge--and the single factor that separates the BIG moneymakers from marketers who struggle. So HOW do you maximize sales conversions and skyrocket your profits? We've studied some of the most profitable websites and spoken with marketers who see "Notification of Payment Received" over and over everyday in their inboxes, and there are 28 stealth tactics they use to achieve mind blowing results and HUGE profits. Shockingly, these 28 tactics are actually simple to use, and YOU can use them and multiply your own results! And, you can learn exactly what each is and how to use it in this power packed report, "Triple Your Conversions, Instantly: 28 Ways to Skyrocket Signups and Sales Just take a look at how you'll benefit... Just a sample of what you'll learn: * You'll be shocked at why 80% of the people leave your web site something so easily remedied its taken for granted -- but shouldn't be. * You'll be surprised to learn this huge percentage of potential customers that leave a site without completing a sale. * The 4 things every website must do. * Watch out for these 3 rules. You leave even one out and you cut the time visitors spend on a page from an average of 2 minutes to less than 10 seconds. * The Freebies: when & how to give them out. * Service or Benefits? The age-old debate the winner may just surprise you. * Okay, you've got the hook, now where do you put it in the sales page? * 4 Reasons why you can't do without the blog. * Well, you've heard about them and probably even use them, but in the visitor to buyer exchange how effective are podcasts and videos? * Without these 4 things a Sales Page just won't work ever! * What you should know about upselling and downselling. * 2 things you must have at the top of your sales page * How to build customer rapport. * How to harness the power of persuasion. * How to make sure your message is accepted, remembered, and acted upon. * If this doesn't happen in 2 seconds or less your web site is in serious trouble. * How to structure your message in language that persuades customers to buy. * How to manage the human aspects of the sales process that normally take a lifetime to master. Adding any one of these techniques to your website can instantly EXPLODE your conversion rate. Add all or most of these proven strategies to your website and you'll flatten your competition with a punch they never saw coming. These

Are Specific Conversion-Boosting Strategies That Arent Available Elsewhere! You'll also discover... How to get THIS...because if you dont have this one thing, your site is worthless. The hottest Viral Tactic used today to boost conversion. In just minutes, this unconventional method can make your sales skyrocket. Use these unorthodox techniques to get solid testimonials by email. Vendors and customers: How to use these 2 great sources for referrals. How to create customer evangelists in a matter of minutes. Why Press Releases are so important. Do this and visitors will never forget you. Master the technique of strategic story telling and see what it can do for you. So theres only one question left... How many of these tactics are YOU going to use to boost your web site response? How Much Does It Cost To Become The Next Internet Success Story? Absolutely Nothing. Either These Techniques Pay For Themselves... Or You Dont Pay. We're so confident you'll get a mind blowing boost from Triple Your Conversions, Instantly!
