2/two Stroke Petrol Chainsaw Engine Misfiring/misfire Sfx #2

DOWNLOAD HERE

This sound effect is a recording of a 2 stroke petrol chainsaw that will not start. Also see #1 for another option, or to layer on top of this SFX. All files on sale by Sevenleaf SFX have been recorded by professionals and are available for you to download as 16 bit 48kHz stereo wav files. Previews are low quality mp3 files with security watermark beeps. Purchased files are broadcast quality wavs without watermarking.
